

Appl 10/751,231
Amdt dated November 15, 2006
Reply to Office Action of August 30, 2006

REMARKS

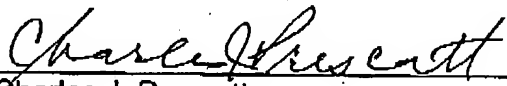

It is submitted that all claims now in the case are in condition for allowance and in concert with the final office action dated 08/30/06. Additionally, all drawing objections have been attended to with amendment to the specification adding reference characters "H" and "N" therein.

The abstract has been objected to for length. Amendment to the Abstract is submitted herewith.

Further, objections and rejections of claims 1 to 14 have been overcome by canceling those claims.

If for any reason the expectation of allowance of all claims is not met, Examiner Prone is requested to contact the undersigned directly by telephone in an attempt to resolve those remaining issues prior to issuing any further written office actions.

Respectfully submitted,

Charles J. Prescott
